Dear Stan:-

Dee Huddleston has invited me to testify on S. 2525. So, if I do it (assuming no schedule conflicts for me whenever the date happens to be), I might as well help you score some points for your point of view on the bill.

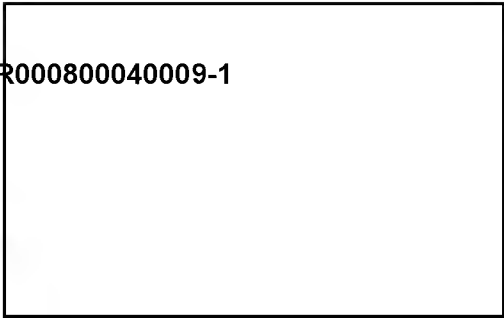

Therefore, how about sending me some notes or a script or whatever, with the points that you would like for me to incorporate in my testimony. You might even rank your points in order of importance, in case I find it difficult to incorporate all of them.

OK? Ball's in your court.

Warmest personal regards,

Vincent Davis
